

# Memorandum

**Date:** January 25, 2007

**To:** Honorable Chairman Bruno A. Barreiro and Members,  
Board of County Commissioners

Supplement #2 to  
Agenda Item No. 8D1A

**From:** George M. Burgess  
County Manager

**Subject:** Additional Supplemental Information to South Dade Wetlands Purchases

---

At the December 12, 2007, Infrastructure and Land Use Committee (INLUC), Commissioner Rolle requested clarification as to the funding source of the above-referenced items. The "Funding Source" line of the Manager's memorandum in each of these items states Building Better Communities General Obligation Bond (GOB) or the EEL Acquisition Trust Fund as the funding source. It was clarified on the floor at INLUC that the GOB is the funding source for these purchases and the appropriate changes have been reflected in all South Dade Wetlands purchases going forward.

  
Assistant County Manager
